

CPR Certification Class

CPR certification is now available for the first time at the 2007 World Championships. Current CPR certification is required for Level 1 Trainer - Instructor, re-certifications and upgrade certifications. The course will include the new January 2007 CPR updated materials and changes. The class certifies each participant in adult, child, and infant CPR. After completion of the session, wallet certificates will be issued. AED (Automated External Defibrillation) certification is also included.

The course is 3 hours and is available for 3 days. Space is limited.
